

Very pleased to announce the following public events:

1. Hardwick residents are invited for a **FREE SWIM**, set to take place @ Camp Mason on August 3rd from 1 to 4 pm! All ages welcome to come and beat this oppressive heat by dipping in their gorgeous pool or just taking the opportunity to lay about to meet neighbors and relax.

2. Princeton Blairstown Camp has offered to host another fantastic **HARDWICK DAY & FIRE PREVENTION DAY 2019** on Sunday, October 20th from 12 to 5 pm. Mayor Kevin, Bob Wolff and I met last week with camp Administration to plot out a grande event, so far planned with exciting activities for all ages! To make each component possible we'll need all interested volunteers to pledge their support early. Ideas are welcome. Spoiler alert: The camp chef is keen on cooking an Octoberfest menu! Also considered and in the works are offering sales of locally designed T-shirts again, local vendors, an elementary school- aged wildfire protection poster contest, a non-profit bake sale and possible fishing. If that entices you to get involved, please feel free to IM me and/or ask at town hall.

*Sincerely,*

*Desi Dunn, Hardwick's Events Coordinator*
