## **March 3 Update Evening**

Hardwick Town hall will be open tomorrow from 9am - 7pm as a warming center and phone charging location. In addition, Mountainwood Water Co. has donated gallon jugs of Hardwick spring water for free distribution to residents.

On a teleconference today with JCP&L, we were told that it may take several days to restore power to everyone in town. We will provide updated information as we receive it. In the meantime, please exercise caution when driving and be on the lookout for low hanging and fallen wires.

North Warren H. S. Will be open tonight from 6pm to midnight and again tomorrow as a warming center, recharging station and distribution location for free water. Also, JCP&L is providing vouchers at the Acme for free ice and water. The vouchers are available at the Customer Service Desk.

Be safe and please contact me with any questions or concerns. More updates will be provided tomorrow.
