NPS Announces Road Work Schedule

BUSHKILL, PA- Beginning the week of October 7, motorists traveling through Delaware Water Gap National Recreation Area may encounter minor delays while contractors are at work on roads throughout the park. While work is completed, be alert for single-lane road closures with flaggers to keep traffic moving as quickly and safely as possible. No full road closures are planned during this project. Work is expected to last four to six weeks.

Work includes pavement patching on US Route 209 and line striping on 52 miles of roads in both Pennsylvania and New Jersey.

Pennsylvania roads that will be striped include:

- US Route 209
- River Road
- National Park Drive
- Dingmans Falls Drive
- Johnny Bee Road

New Jersey roads that will be striped include:

- NPS 615
- NPS 602
- Old Mine Road from the Flatbrookville Bridge north to Pompey
- Jager Road
- Blue Mountain Lakes Road
- Struble Road
- Peters Valley Wagon Wheel Road
